As the story goes on, the protagonist meets lots of people, finds the murderer and kills him. As the story continues, he finds a lot of money and tries to divide it among his friends but the killer dies. I must tell you that I'm a photoshop user. But not only that, I'm a new photoshop user. This time I use a new keyboard which is very popular today. I met a new photoshop user because I want to make a funny video about photoshop.
